GOD. who is cur i want to curr

Jared Joseph

2. **WTF i have hear a book w
-ithout a doubt; i foll
-owed his huge tuning fork toward
His turning trembles.**

3. Dark things get me here : G
et me here on time and wat
ch : Dark punctures pun
cture your void our oral stor
y machine of bearded
glass in this
building, in this b
uilding i will want : in t
his construction i will Hu
nger : & in this wanting
I will Evening

**4. Hide. There are men
in heaven, in women they say
Believe in God & in god & in
the last day, but, & despite**

**it got thru & it did not by
way of glass liars. They!re
a big number.**

7. For those that proteína
in the revel strips sent
here by this real anxious;
these concertinas toward th
at certain cornering future
life.

9. An Apache has seats in his heart a huge movie deal. Neither theater no God's hard. Nor more th an crescent moon's sharp. The most pained & hurt SEAT reserved for HIM is busy vertigo, dolorous in the backs of stars. The prophets are male models. That is what a prophet is.

If believers are :
God : found they play
a die : We're believer
s but from high alti
tudes where the mou
th unites a secrete
temptation towards t
he death drive : In
the mountains of Can
ada is still heard
YOLO

**Sordid mute & cindering
Isaac doesnt velvet atoms.**

33. I hope they think some day Mister will return to call on the sick Mister & sweet aloe for His Son Burn a Black **Cur rant** is rich in antioxidants & phytonutrients having potential health promoting agents & anti-disease agents. This highly esteemed Berry

Those that have in cur
red the Scriptures know
the pistol, like their o
own sons; but the first
born part their birds

35. the day we made a child
ash urns above your head
we shipped mana & flora &
fauna from hereon heaven
says: Eat delicious man we
jarred in jam. Its not us
weve damaged, they've damaged
themselves.

Satan made slither his makeles
pie & that matchless pair of
disinterests from the place
in which they gained a loss.
& then he told them : **Descend**
from that place, enemies a sum
ssum of others : : : the Earth sore
: : made pie a&d place in a loss
: : : & he place . . **A Earth temporal.**

54. Adam apprehended from
his Mister words of orati
on : GodGod returned to h
i'm because gustatory plea
sure torrent returning to t
he repeating man : repent!

**Remember the day we said to
Israelites: Enter that city
, pleasure that city in her
good things, the taste of h
er urn pleasures but, upon
entering her lay & say ----
& your sisters.**

**Remember the Benedic i raised
you under. Remember i calm
you. Remember i raised you
from the psalms of eczema to
total human being.**

But between these perverse
cities in the substituted Wo
rd is the surrogate World,
had been another fur, Word
and we made love the sky desc
end as punishment for the
skys own perfidy in this
grey ample mutter.

Perhaps you will then fear Good. Tremble before our Good.

They belong to God the
Levitating and the very
Abel : Howard whatever
: Howard whatever : to
ward whatever : toward
whatever Howard : for
ward Howard Howard what
ever towards whatever
edit the Word makeles
makes : Howard toward
the finding of the
phrase. Howard the Word
Lord God wards immensity

60. Preserve me God for
numbering among the unreason
able Moses said – his people
said – complicate to your
God what the ffff cow to k
ill – God worn and middleaged
wants that it be midd
le-aged M. stuttered. M. mutt
erred: He a. He a COW.

**66. Remember the day when
Moses said to his people God;
He orders a burger. He
orders you to immolate
a COW; the Israelites dropped
mouths: Are you a slub or
lump in wool or cotton?
Are you burlesque, are you
slack? Are you sloth to smack me**

Each Earth has a berth
of ceiling; towards the
wish He turned to power
. Work the Good to
store properly : His
shelf will meet you all
one shaking day : the
wide If of His hand
